

The “Clear Option” to add another cup holder to your C5 or C6 Corvette®

Here is an option that....

- *“installs in seconds” without the use of Velcro, screws or tape of any kind*
- *quickly folds out of the way when not in use*
- *“clearly matches” any interior color scheme*
- *quickly removes for easy cleaning (dishwasher safe) or storage*
- *does not take up any leg space*

This is the “Clear Option” to add another cup holder to your C5 or C6 Corvette®. It nestles in the corner formed by the seat and tunnel, so it does not take up any leg space.... open or closed.

Quality construction by a Corvette® owner for a Corvette® owner.
